PROFESSIONAL EXPERIENCE

Sep 2023 - Now	<u>Indonesia Blockchain Consulting Group / IBCG</u> (Strategic Consulting & Web3 Think Tank) Founder & Principal Partner https://ibcg.id/ Indonesia Blockchain Consulting Group (IBCG) is a premier advisory firm dedicated to accelerating blockchain and Web3 adoption in Indonesia. Specializing in regulatory compliance and corporate strategy, IBCG acts as a vital bridge between decentralized technologies and established business frameworks. The firm empowers enterprises and government bodies to navigate the digital asset landscape, fostering sustainable innovation and strengthening Indonesia's position as a key player in the global digital economy.
---------------------------	---

Mar 2024 - Mar 2026	<u>PT Peruri Digital Security / PDS</u> (State-Owned Enterprises) Chief Executive Officer (CEO) https://pds.id/ PT Peruri Digital Security (PT PDS) is a leading provider of digital security solutions in Indonesia, specializing in identity verification, secure document management, and encryption services. As a subsidiary of PERUM PERURI, the state-owned prints Rupiah notes and other important state-owned documents, PT PDS plays a crucial role in safeguarding digital assets across various industries. Moreover, the company is at the forefront of Government Technology (GovTech) in Indonesia, offering innovative solutions tailored for the public sector to enhance efficiency, transparency, and trust in governmental operations. Leveraging advanced technologies, PT PDS contributes to Indonesia's digital transformation agenda and strengthens the country's digital infrastructure, positioning it as a key player in the region's technology landscape.
Jul 2022 - Mar 2024	<u>PERUM PERURI</u> (State-Owned Enterprises) Senior Digital Expert https://www.peruri.co.id/ The state-owned company is trusted by the government as it prints Rupiah notes and other important state-owned documents. The main competence as guarantor of authenticity is inherent in every product produced by the company so as to provide a sense of security for all people.
Nov 2022 - Dec 2024	<u>Decree of the Minister of State-Owned Enterprises / BUMN</u> Project Management Office https://bumn.go.id/ Formation of BUMN support team to accelerate the development of an electronic-based government system. BUMN supports the acceleration of the government's digitization program, integration of BUMN capabilities and resources to accelerate the development of an electronic-based government system. Currently I am entrusted as a PMO and National Digital ID subteam.

Sep 2024 - Now	<u>PT Carta Inovasi Indonesia / Carta Wallet</u> (Non-Custodial NFC Cold Wallet) Co-Founder & Advisor <i>Mar 2024 - Now</i> https://cartawallet.com/ Carta arrives as an answer to the growing anxieties surrounding the security of digital assets. With a robust infrastructure that ensures users maintain control over their digital assets, Carta's hardware wallet sidesteps the risks often associated with hotwallets and custodial options. By championing a non-custodial approach, Carta ensures users retain full control over their private keys and, by extension, their funds. This framework dramatically reduces the odds of unauthorised access, hacks, and other malign activities. Chief Executive Officer (CEO) <i>Sep 2023 - Mar 2024</i>
Jul 2022 - Now	<u>ARUVANA</u> (Immersive Technology) Business Advisor https://aruvana.id/ ARUVANA is a company with a mission to help you understand, formulate and harness the maximum power of Metaverse Technology so that it can bring you maximum benefit in this new Virtual Age. Enabling you to experience an extraordinary virtual life is what we do.
